

SHE ALERT

MTI – Cut Knee

Date of Incident	4 th May 2024		Directorate	Operations SEPD	
Region	South East	Location	Haslemere	Classification	MTI
What happened ?					
<p>Our colleague was walking back from a work location after carrying out electrical investigation works. Light conditions were low, and whilst making the return trip to their vehicle, they tripped over on an uneven surface and landed on their right knee which resulted in a cut.</p> <p>First aid was given on site, however due to the size of the cut, they attended A&E where the cut was closed using stiches.</p> <p>Whilst we are investigating this incident please remember to:</p> <ul style="list-style-type: none"> • Ensure you complete a point of risk assessment before completing all works. • Actively look for hazards and then manage the risks. • Always carry suitable lighting when working in low light conditions.
