Fall From Ladder

Date of incident which is raised in days	9 th April 2026		Directorate	Services – SEPD	
Region	Customer Delivery	Location	Staines-upon-Thames, Staines	Classification	Recordable Incident/MTI
What happened ?					
A colleague fell from a ladder whilst undertaking planned works to change a set of insulators on a 132kV tower. They were descending the ladder after works was completed when they lost their footing and fell. As a result of the fall, they landed awkwardly and sustained a dislocated knee. Emergency services were immediately contacted, and our colleague was taken to hospital where they have since received treatment.
