

SAFETY ALERT

Ergon Energy Corporation Limited

DATE ISSUED: 15/4/2002

Postal Address: PO Box 308
Rockhampton Q 4700

ISSUE NO.: 2002.31

INCIDENT DATE: 12/4/2002

INCIDENT DETAILS

Whilst operating a ground operated vehicle loading crane, an Ergon Energy employee become pinned between the crane boom and its controls and sustained fatal injuries.

INTERIM ACTIONS

As an interim precautionary measure pending further progress of the investigation, the use of all ground operated vehicle loading cranes within Ergon Energy is to cease immediately.

The only exception to this notice is where there is no alternative but to use a ground operated vehicle loading crane, then a P86B01B02C01 Job Safety Analysis must be presented to and approved by the Business Unit GM prior to the work commencing.

This direction is to apply to all works performed by Ergon Energy employees and all EE work performed by EE contractors until further notice.
