

Safety Alert

Event Number: 19428

Event Date: 02/12/2016

Classification: Near Miss

Maximo #: 95485

First Alert - Trailer Rolled Across Paddock

Description of Event:

Whilst unattended a trailer rolled across the paddock, damaging a farm fence and water trough before coming to rest in a water drain.

Actions Required: Investigation is underway

- **Reminder:** When leaving a trailer unattended:
 - Chock both wheels
 - Apply the handbrake
 - Ensure the load is secure
 - Ensure the load is evenly distributed
 - Check the weight of the load, maximum trailer weight (50% gross vehicle weight of the towing vehicle) as per TP.SS.06.26 Mobile Plant, Vehicles and Powered Equipment.
